

# How do I request my Pass Jeux?

## PRACTICAL CASE 2

**Who?:** a visitor returning to their hotel with their vehicle, in an off-street car park.

**Where?:** GREY perimeter - Opening Ceremony

**When?:** from 18 to 26 July at 1pm

For the Olympic and Paralympic Games, access to certain areas is restricted to ensure everyone's safety.

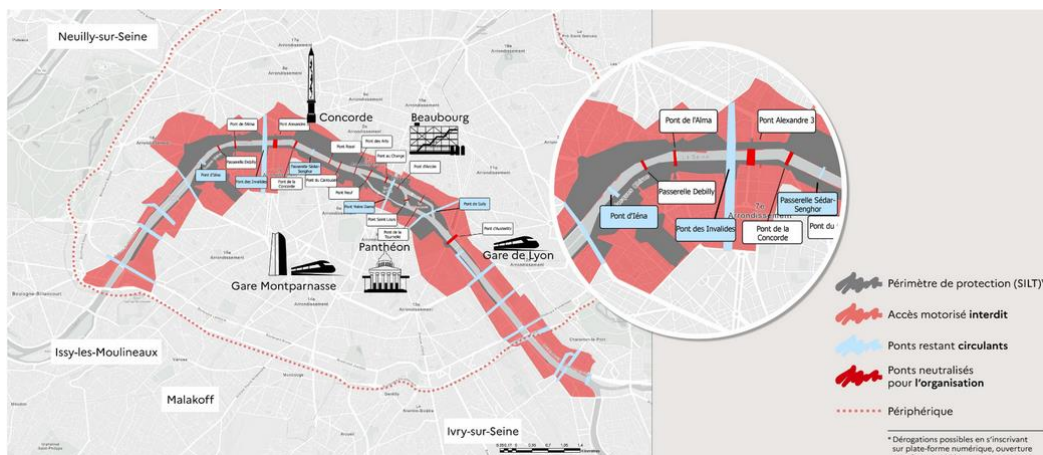

In the run-up to the Olympic Opening Ceremony, two perimeters will be activated along the banks of the Seine from 18 to 26 July 2024: a grey perimeter and a red perimeter.

**From 18 to 26 July, to access the grey perimeter, anyone over the age of 13 must have a Pass Jeux.**

The Pass Jeux is a pass in the form of a QR Code, issued by the préfecture de Police. **It is free, non-transferable and will be subject to a validity check by the police.**

### How to identify the zones?

Consult the [interactive map](https://anticiperlesjeux.gouv.fr) online, on <https://anticiperlesjeux.gouv.fr>. By entering an **address**, the perimeter is identified, along with the rules that apply.

## How do I request my Pass Jeux on the [the platform](#)?

---

### 1. Prepare all your supporting documents to upload onto the platform:

- **Personal ID of the applicant:** last name, first name, email, date and address and postal code of the town/city of birth
- **Copy of ID** in electronic format, both sides
- **ID photo** in passport photo format: Clear, individual photo, taken against a light background, head must be bare, no head coverings, eyes visible and open.
- **Address of residence in the grey zone** (address of the hotel)
- **Proof of temporary residence:** booking confirmation (hotel, B&B, platform for rentals between private individuals ...) with the dates of rental specified, a sworn statement that you are staying at a private individual's residence (sample statement available to download [here](#)), etc. The address in the zone must be given.
- **Information relating to the vehicle:** Vehicle registration document, registration number, copy of vehicle registration certificate.

### 2. On the [Pass-jeux.gouv](#) platform:

Several applications must be made: one for the vehicle, and one for each of the vehicle's passengers.
